## **7. Ordering Procedures, Fees and Payment.**

### **7.1 Ordering Procedures.**

7.1.1 Orders for Platform Access; Renewal. Advanced Channel Partner shall be required to purchase Platform Access to use the Consumption and Subscriptions during the applicable Platform Access Period. Advanced Channel Partner issues an automatically renewable and non-refundable Order for Platform Access by signing this Agreement (which incorporates the **Schedule A**), by issuing a purchase order against a Proposal, by receiving access to and Security Credentials from Grass Valley to the Account, or by permitting automatic renewal after receiving written notice of any modified or additional Orders as may be issued pursuant hereto. Such Order for Platform Access shall automatically renew for an additional Platform Access Period unless either Party provides written notice of non-renewal to the other Party no less than thirty (30) calendar days prior to the expiration of the then-current Platform Access Period.

7.1.2 Orders for Consumption. Advanced Channel Partner automatically issues a non-refundable Order for Consumption for the relevant Application Workload when any User Uses such Application Workload before Ordering any Subscription for such Application Workload. Such Order for the Consumption may be evidenced, in part, by Grass Valley's usage records.

7.1.3 Orders for Subscriptions; Renewal. To place an Order for a Subscription, Advanced Channel Partner shall perform the procedures set forth below in this Section. With respect to the relevant Application, the Account Resource will enable Advanced Channel Partner to select such Application for a Subscription and also specify certain settings for the selected Application, including: (a) the quantity of Application Workloads for such Subscription; (b) a recurring or non-recurring setting for such Subscription; (c) such Subscription's start date (e.g., the first day of the specified calendar month); and (d) in the case of a non-recurring Subscription, such Subscription's end date (e.g., the last day of the specified calendar month). The Subscription's specified start date will be the date of the Order. At the end of the calendar month following the start date of any recurring Subscription, such Subscription will automatically extend for an additional calendar month unless Advanced Channel Partner cancels such Subscription using the Account Resource before the additional calendar month begins. Any non-recurring Subscription will end on the end date specified for such Subscription. Once the start date for any Subscription begins, Advanced Channel Partner shall have no right to cancel such Subscription. Except for the then-current month of any Subscription, Advanced Channel Partner may use the Account Resource to change certain settings applicable to the subsequent month of such Subscription. If Advanced Channel Partner submits an Order change to cancel any Application or Application Workload having a Subscription scheduled to start the calendar month following the date of such submission, Grass Valley shall not charge Advanced Channel Partner for the Subscription Fee corresponding to such cancelled Application or Application Workload, as the case may be.

7.1.4 Nature of Orders. Each Order shall be binding and non-refundable. Except for Advanced Channel Partner's rights to change Orders for Subscriptions in accordance with **Section 7.1.3**, Advanced Channel Partner shall have no right to cancel, terminate or amend any Order except as agreed in a writing signed by both Parties.

7.2 Fees, Invoicing and Payment. On the Effective Date, Advanced Channel Partner (a) has Ordered the Platform Access with the obligation to pay the Platform Access Fee, and (b) the Platform Access Fee shall be due by

Advanced Channel Partner on the Effective Date. The Platform Access Fee shall be automatically invoiced annually thereafter upon renewal, subject to the non-renewal terms of **Section 7.1.1**. The Consumption Fees shall accrue and be payable upon Use of any Application Workload by Advanced Channel Partner and shall be due within thirty (30) calendar days after the date of Grass Valley's invoice. In connection with each such invoice, Grass Valley shall provide Advanced Channel Partner with Consumption statistics within such invoice, within the Account Resource or otherwise within a report provided by Grass Valley. Advanced Channel Partner shall prepay the Subscription Fees on the start date of the applicable Subscription Period pursuant to the applicable Order by Advanced Channel Partner, and the Subscription Fees shall be automatically invoiced by Grass Valley on such start date. All Fees paid hereunder are non-refundable. All past due amounts shall bear interest from the due date at the lesser of (i) one and one-half percent (1.5%) per month, or (ii) the maximum rate allowed by law.

**7.3 Determination of Consumption Fees.** Consumption Fees shall be determined based on Application Workloads that, when Used, have the Status of running (e.g., on). For each Application Workload used on a Consumption basis, the Consumption Fee shall be calculated by multiplying together the following: the Token Price, the applicable Token Rate, and the Consumption Time for such Application Workload. By way of a non-limiting example, if the Token Price is One Dollar (\$1.0), the Token Rate is two (2) Tokens per hour, and Advanced Channel Partner uses (3) hours of Consumption Time of two (2) Application Workloads of an Application, the Consumption Fee would be Twelve Dollars (\$12).

**7.4 Determination of Subscription Fees.** For each Application Workload used through a Subscription, the Subscription Fee shall be calculated by multiplying the Token Price by the quantity of Tokens specified in the Subscription column of **Schedule A** for the relevant Application. By way of a non-limiting example, if Advanced Channel Partner were to Order a Subscription for four (4) Application Workloads of a particular Application having a Token quantity of twenty (20) and the Token Price is One Dollar (\$1.0), the Subscription Fee for such Subscription would be Eighty Dollars (\$80) for the remainder of the calendar month following the Order date. If any Subscription begins after the first of any calendar month, Advanced Channel Partner will owe the full Subscription Fee for such month. The Subscription Fee in effect on the date of the Order for the relevant Application shall remain fixed for such Application for the duration of the Subscription Period established as of such Order date. If Advanced Channel Partner subsequently changes such Order (including changing the quantity of the Application Workloads), the Subscription Fee related to the changed Order may differ from the original Subscription Fee based on any Fee changes effectuated by Grass Valley in accordance with **Section 7.5**.

**7.5 Fee Changes.** Grass Valley may unilaterally increase either the Platform Access Fee, any Subscription Fee, the Consumption Fees, the Token Price and/or the Token Rates not more than one time per twelve (12) month period upon ninety (90) days prior notice to Advanced Channel Partner. Grass Valley reserves the right, at any time, to decrease fees and/or to introduce new Applications with their own fee schedule. The Subscription Fees, Consumption Fees, Token Price and Token Rate for third party applications that may be available on the Platform are priced independently. For the purposes of this Section and notwithstanding **Section 12.1**, notice of any such Fee changes shall be effectively given to the Advanced Channel Partner when such Fee changes are made available to the Advanced Channel Partner by Grass Valley in the Platform, on its website at [www.grassvalley.com](http://www.grassvalley.com) or elsewhere. Advanced Channel Partner shall be bound by, and deemed to have approved such changes unless Advanced Channel Partner provides Grass Valley with written notice of non-renewal prior to the expiry of such ninety (90) day notice period.

**7.6 Taxes.** The fees, charges, or expenses under this Agreement do not include sales, use, property, excise, value-added, service, or other taxes, or any penalties or interest related to such taxes, now or hereafter levied by any federal, state, local, or other taxing authority relating to (a) any services rendered by Grass Valley, (b) the SaaS Services or its use; (c) the License granted hereunder; or (d) this Agreement (collectively, "**Taxes**"). In addition to the payments otherwise due under this Agreement, Advanced Channel Partner shall pay all Taxes. If Grass Valley is required to collect and pay Taxes (except Taxes based on Grass Valley's income), Grass Valley shall invoice Advanced Channel Partner for such Taxes, and Advanced Channel Partner shall pay such invoice in accordance with **Section 7.2** (Fees,

Invoicing and Payment). Advanced Channel Partner agrees to indemnify Grass Valley for and hold it harmless against any out of pocket costs, interest and penalties imposed upon or incurred by Grass Valley by reason of Advanced Channel Partner's failure to perform Advanced Channel Partner's obligations under this Agreement, including Advanced Channel Partner's obligations to pay Taxes under applicable laws.

## 8. Term and Termination.

### 8.1 Termination.

8.1.1 For Cause by Grass Valley. Grass Valley may terminate this Agreement by prior written notice to Advanced Channel Partner, if Advanced Channel Partner fails to perform any material term or condition of this Agreement, and does not cure such failure within thirty (30) calendar days after Advanced Channel Partner's receipt of written notice from Grass Valley particularly stating the default and Grass Valley's intention to terminate. Notwithstanding the foregoing, Grass Valley may terminate this Agreement immediately upon written notice if Advanced Channel Partner fails to comply with any of the following Sections of this Agreement: **Section 2** (License; Intellectual Property), **Section 3** (Limitations on License), **Section 4** (Advanced Channel Partner Responsibilities), **Section 7** (Ordering Procedures, Fees and Payment), or **Section 11** (Confidentiality). Termination of this Agreement by Grass Valley shall, among other things, constitute termination of all licenses and rights granted hereunder by Grass Valley.

8.1.2 For Cause by Advanced Channel Partner. Advanced Channel Partner may terminate this Agreement by prior written notice to Grass Valley, if Grass Valley fails to perform any material term or condition of this Agreement, and does not cure such failure within thirty (30) calendar days after Grass Valley's receipt of written notice from Advanced Channel Partner particularly stating the default and Advanced Channel Partner's intention to terminate.

8.1.3 Termination for Convenience. Either Party may terminate this Agreement without cause by providing the other Party with no less than thirty (30) days' advance written notice.

8.2 Effect of Termination. Upon the non-renewal, termination, or expiration of this Agreement for any reason (a) Advanced Channel Partner's License to the SaaS Services will automatically and immediately terminate, and Advanced Channel Partner shall have no further right to access or use any SaaS Services or Technology; and (b) Advanced Channel Partner's access to the SaaS Services may be disabled by Grass Valley without notice. Termination shall not relieve Advanced Channel Partner's obligation to pay all fees that have accrued or are otherwise owed by Advanced Channel Partner hereunder. Promptly upon the termination or expiration of this Agreement for any reason, Advanced Channel Partner shall immediately (i) cease its use of the SaaS Services and other Technology, (ii) uninstall and delete any portions of the Applications downloaded onto any Advanced Channel Partner Devices, and (iii) return to Grass Valley, within ten (10) calendar days, all Grass Valley Confidential Information (or, at Grass Valley's option, erase or destroy all Grass Valley Confidential Information), and, on Grass Valley's request, promptly deliver to Grass Valley a written statement signed by an officer of Advanced Channel Partner having sufficient authority and knowledge, certifying that access to the SaaS Services has ceased and all Grass Valley Confidential Information has been destroyed or erased in accordance with this **Section 8.2** (Effect of Termination). Termination of this Agreement shall be in addition to and not in limitation of any other rights and remedies to which either Party is or may become entitled.

8.3 Access to Advanced Channel Partner Data. Provided that Advanced Channel Partner has met all payment obligations under this Agreement, upon termination or expiration of this Agreement and upon Advanced Channel Partner's written request, Grass Valley shall make commercially reasonable efforts to provide Advanced Channel Partner with access to the Advanced Channel Partner Data stored within the Platform (excluding certain configuration data) for a period not to exceed sixty (60) calendar days to permit Advanced Channel Partner to download its Advanced Channel Partner Data. Grass Valley reserves the right to purge and delete Advanced Channel Partner Data, if any, in its possession if Advanced Channel Partner fails to provide Grass Valley with a written request for such Advanced Channel Partner Data within sixty (60) calendar days following the termination or expiration of this Agreement.

## 9. Limitation of Remedies and Liability.

9.1 Selection and Use of the SaaS Services. Advanced Channel Partner accepts sole responsibility for (a) the selection of the SaaS Services to achieve Advanced Channel Partner's intended results; (b) the use of the SaaS Services; (c) the results obtained from the SaaS Services and the use of those results; (d) lost or damaged Advanced Channel Partner Data not directly caused by Grass Valley's breach of this Agreement; and (e) the adoption of procedures and safeguards (e.g., regular data backups) to prevent loss of or damage to Advanced Channel Partner Data. Advanced Channel Partner also accept sole responsibility for the selection and use of, and results obtained from, any other programs, programming, equipment, or services used with the SaaS Services, including the Advanced Channel Partner Devices. Advanced Channel Partner accepts sole responsibility for all loss, claim, liability, or damage, and related costs and expenses arising directly or indirectly out of or in any way related to Advanced Channel Partner's own fault or negligence. This clause shall survive the Term of this Agreement.

9.2 CONSEQUENTIAL DAMAGE WAIVER. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES (INCLUDING ANY DAMAGES ASSOCIATED WITH LOSS OF USE, INTERRUPTION OF BUSINESS, LOSS OF DATA, OR LOSS OF PROFITS

9.3 LIMITATION ON DAMAGES. IN NO EVENT SHALL GRASS VALLEY BE LIABLE FOR ANY DAMAGE OR AMOUNT ARISING FROM OR RELATING TO THIS AGREEMENT IN EXCESS OF THE TOTAL AMOUNT OF FEES PAID BY ADVANCED CHANNEL PARTNER IN THE TWELVE (12) MONTHS PRIOR TO THE EVENT GIVING RISE TO THE LIABILITY.

9.4 BASIS OF THE AGREEMENT. THE LIMITATIONS PROVIDED ABOVE IN THIS **SECTION 9** SHALL APPLY TO ANY CLAIMS OR DAMAGES ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT OR OTHERWISE, EVEN IF GRASS VALLEY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Advanced Channel Partner acknowledges that Grass Valley has set its prices and entered into this Agreement in reliance upon the limitations of damages, waiver of consequential damages and disclaimers of warranties and damages set forth in this Agreement, and that the same form an essential basis of the bargain between Advanced Channel Partner and Grass Valley. Advanced Channel Partner agrees that the limitations, exclusions, or disclaimers in this Agreement will survive and apply even if the exclusive remedies set forth in this Agreement are found to have failed of their essential purpose.

## 10. Indemnification.

10.1 Indemnification by Grass Valley. Grass Valley agrees to defend Advanced Channel Partner in a lawsuit or other judicial action, and pay the amount of any adverse final judgment (or settlement to which Grass Valley consents) from such lawsuit or judicial action, asserted by any third party against Advanced Channel Partner that the SaaS Services infringe any patent, copyright, or trademark issued as of the Effective Date and enforceable in the United States (each, a "**Claim**"); provided, that Advanced Channel Partner: (a) promptly notifies Grass Valley in writing of the Claim; (b) gives Grass Valley sole control over the defense and settlement, if any, of the Claim; (c) provides Grass Valley with full cooperation and assistance in the defense of the Claim; and (d) fully complies with Grass Valley's direction to cease any use of the potentially infringing the SaaS Services. In addition to the obligations set forth above, if Grass Valley receives information concerning a Claim, Grass Valley may, at its expense, but without obligation to do so, undertake further actions, such as: (i) procuring for Advanced Channel Partner such patent, copyright, or trademark right(s) or license(s) as may be necessary to address the Claim; or (ii) replacing or modifying the SaaS Services to make them non-infringing. In the event Grass Valley is, in Grass Valley's sole discretion, unable to procure the right to continued Use of the allegedly infringing SaaS Services or replace or modify the SaaS Services to make them non-infringing as set forth above, Grass Valley may terminate this Agreement in whole or in part.

10.2 Limitations. The obligations set forth in **Section 10.1** (Indemnification by Grass Valley) shall not apply, and Grass Valley shall have no obligations with respect to, any Claim or infringement arising out of: (a) the use of the SaaS Services other than in strict accordance with this Agreement and any applicable documentation or instructions supplied by Grass Valley; (b) any alteration, modification, or revision of the SaaS Services not performed by Grass Valley; (c) the combination of the SaaS Services with materials not supplied by Grass Valley (including the Advanced Channel Partner Devices and any Third Party Materials), where the alleged infringement would not exist without such combination; (d) information, materials or specifications provided by or on behalf of Advanced Channel Partner, any User or any other person or entity other than Grass Valley or its Affiliates; or (e) Advanced Channel Partner Data or Personal Data provided by any person or entity other than Grass Valley or its Affiliates (subsections (a) through (e), collectively, **“IP Infringement Exceptions”**). In the event that Grass Valley is required to defend a lawsuit or other judicial action pursuant to **Section 10.1** (Indemnification by Grass Valley) above and such lawsuit or other judicial action includes allegations with respect to non-Grass Valley products (including third party materials), then Advanced Channel Partner shall retain, at Advanced Channel Partner’s sole expense, separate counsel to defend against such allegations, and agree to reimburse Grass Valley for any and all attorney’s fees and costs incurred by Grass Valley with respect to defending against such allegations. Moreover, Grass Valley and its suppliers shall have no liability for any intellectual property infringement claim (including any Claim) based on Advanced Channel Partner’s use, sale, offer for sale, information, or other disposition or promotion of the SaaS Services after it has received Grass Valley’ notice that Advanced Channel Partner should cease use of the SaaS Services due to such claim. Advanced Channel Partner shall indemnify and defend Grass Valley Indemnitees (defined below) from and against all Losses (defined below) incurred due to Advanced Channel Partner’s continued use of the allegedly infringing SaaS Services after Grass Valley provides such notice. **THE PROVISIONS OF SECTION 10.1 (INDEMNIFICATION BY GRASS VALLEY) STATE GRASS VALLEY’S ENTIRE LIABILITY AND ADVANCED CHANNEL PARTNER’S SOLE AND EXCLUSIVE REMEDIES WITH RESPECT TO ANY CLAIM OR OTHER ALLEGATION INVOLVING INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS.**

10.3 Indemnification by Advanced Channel Partner. Each Party's Confidential Information shall remain the sole and exclusive property of that Party. Neither Party shall have any obligation under **Section 11.2** with respect to any portion of the Confidential Information that: (a) is or becomes publicly known by any means other than an act or omission of a receiving Party; provided, however, that information containing a combination of multiple pieces of information shall not be deemed to be publicly known merely because one or more of such pieces is in the public domain separate from such combination; (b) was possessed by the receiving Party before receipt from the disclosing Party, as evidenced by documentation existing before the date of such receipt, (c) is provided to the receiving Party by a third party who has the legal right to do so without breaching a duty owed to the disclosing Party; (d) is independently created and developed by the receiving Party without reference to information of the other Party; or (e) is required to be disclosed by governmental regulation or court order, provided that the receiving Party shall provide the disclosing Party with sufficient advance, written notice to allow the disclosing Party to seek a protective order or to contest any such court order.

**11.2 Protection of Confidential Information.** Each Party recognizes the importance of the other's Confidential Information and shall maintain the Confidential Information of the other Party in strict confidence. A Party receiving Confidential Information from the other Party shall not, directly or indirectly: (a) disclose the disclosing Party's Confidential Information to any third party except to the extent required by applicable law; provided, however, that Advanced Channel Partner may disclose SaaS Services information and Account information to Associates for purposes of, and in accordance with the terms and conditions of, this Agreement; or (b) use or implement the disclosing Party's Confidential Information for any purpose other than to the extent necessary to exercise the receiving Party's rights or perform its obligations in accordance with this Agreement. The receiving Party shall use all reasonable diligence to prevent the unauthorized use or disclosure of Confidential Information received from the disclosing Party. For the avoidance of doubt, **Section 11** will survive termination or expiration of this Agreement.

Notwithstanding the foregoing, if any notice related to this Agreement involves or relates to a legal claim, threat or allegation, breach of contract or any other legal action, threatened or actual, the Party providing such notice will deliver such notice to the other Party via personal delivery, nationally recognized courier service, or U.S. mail, by registered or certified mail, return receipt requested.

In the event of any conflict between the body of this Agreement and any Schedules, the terms and provisions in the body of this Agreement shall control and prevail.

**12.3 Force Majeure.** Any delays in, or failure to perform, any provision of this Agreement (other than for the payment of amounts due hereunder) caused by acts, omissions, events, causes or conditions beyond either Party's reasonable control (including acts of God, third-party nonperformance, failure of or defects and errors in third party software or hardware, acts of governmental entities, civil disobedience or insurrection, lock-outs, freight embargoes, acts of civil or military authorities, terrorism, cyberattacks, fires, epidemics, pandemics, floods, wars, riots, failure of public utilities, or interruption or failure of the Internet) shall not constitute such Party's breach of this Agreement and

shall not give rise to any claim for damages, and the time for performance of such provision, if any, shall be deemed to be extended for a reasonable period of time at least equal to the duration of the conditions preventing performance.

12.4 Waiver, Amendment or Modification. No modification to this Agreement, nor any waiver of any rights, shall be effective unless agreed to in writing by both Parties. This Agreement will not be modified by any course of dealing, course of performance or usage of trade. The terms of this Agreement shall not be amended or changed by the terms of any purchase order or acknowledgement even though Grass Valley may have accepted or signed such documents. No failure or delay by either Party in exercising any right, power, or remedy with respect to any of its rights hereunder shall operate as a waiver thereof.
